

Story Writing Activity

MY NEW CLASSMATE THE SHARK

Name:

Date:

What would you do if one day your teacher announced your new classmate was a shark? Would they be able to join you in your classroom? At lunch? At Recess? Write a story to share how YOU would react if one day a shark was in your classroom, and how you imagine the day would go.

What would the shark wear to school?
Color in the shark to show what you think
your new classmate would wear.
